ECAMP 15

Collisions 3

Thu, July 3

5:00 PM

Collisions 3

Session | Location:

17:00 – 17:30 **Quantum resonances in cold collisions****Speaker**

Christiane Koch

17:30 – 18:00 **Cold and controlled collisions using tamed molecular beams****Speaker**

bas van de Meerakker

18:00 – 18:20 **Electron Diffraction Imaging of Molecules via Ionization by Compton Scattering****Speaker**

Prof. Philipp Demekhin

18:20 – 18:40

Convergent Close-Coupling Approach to Electron-Impact Dissociative Excitation and Ionisation of H_3^+ **Speaker**

Prof. Dmitry Fursa

6:40 PM
