

## **Session Program**

**June 30, 2025 to July 4, 2025**

**ECAMP 15**

***Ultrafast 2***

Tue, July 1

5:00 PM

Ultrafast 2

Session | Location:

17:00 – 17:30

Attosecond and few-femtosecond electron dynamics in photoexcited and photoionized organic molecules

Speaker

Prof. Fernando Martin

17:30 – 18:00

Controlling entanglement and the forces on the nuclei with atto and few femto-second pulses

Speaker

francoise remacle

18:00 – 18:30

Watching a molecular bond break

Speaker

Andre Staudte

6:30 PM
