

14th PCNE Working Conference

Mittwoch, 5. Februar 2025 - Samstag, 8. Februar 2025

Ágnes-Heller-Haus, Innsbruck

Wissenschaftliches Programm

The "***Strengthening Pharmaceutical Care Research and Practice***" conference aims to connect science and practice. Keynote lectures will highlight the latest advancements in pharmaceutical services, the implementation of AI in both scientific and practical work, and recent developments in medication review. We are confident that the inspiring environment, fresh mountain air, and excellent networking opportunities will spark new ideas and foster collaborations.

Conference Highlights

Workshops: 12 hours of intensive learning
Foppe van Mill Memorial Lecture
Four Keynote Lectures
Short Oral
Presentations Poster Session

The best oral presentation award
