

Annual Meeting of the Austrian Soil Science Society 2025 / Jahrestagung der Österreichischen Bodenkundlichen Gesellschaft 2025

Tuesday 2 December 2025 - Wednesday 3 December 2025

Innsbruck & Land Tirol - University of Innsbruck & Office of the Regional Government

Scientific Programme

**Soil Biology & Soil Functions - Focus on
processes, functions, and methodological
innovations**

**Interactions in Soil Ecosystems - Focus on soil
fauna–microorganism–plant interactions, root
microbiomes**

**Soil Biology in Transition - Contributions on
climate extremes, anthropogenic influences,
biodiversity, resilience**

**Soil Biology and Agricultural Practice, Soil Health,
Monitoring of Soil Life**

Other (free topics / freie Themen)
